

BANKING OPTION – B029
A.S. in Business Administration

Contact: Candida Johnson, ext. 2309, cjohnson@hcc.mass.edu

Banking is a degree option that prepares students for entry-level careers in banking and for transfer to four-year institutions as business majors. Students will be expected to complete at least one course through the Center for Financial Planning. Upon graduating from this program, students will be able to define basic banking principles, interpret accounting data, analyze financial statements, calculate business statistical data and quantify a variety of other business data, summarized and appreciate the lending process, appreciate the role of law in the banking field and define traditional functions of management and their contributions to strategic planning.

NOTES:

¹ These courses are offered only through the Center for Financial Training at a cost which may be different than HCC courses, and financial aid might not be available. Credits earned from a CFT course are transferred into an HCC program upon successful completion of the course. Therefore, students may not be considered a full-time HCC student while enrolled in a CFT course.
