

SABES

SABES is a Massachusetts-wide organization that supports Adult Basic Education (ABE) practitioners and learners. The SABES Regional Centers are based in five community colleges around the state. SABES WEST at Holyoke Community College serves Berkshire, Franklin, Hampden, & Hampshire counties.

SABES provides comprehensive training and technical assistance initiative for educators and programs. SABES assists with developing the skills, talents, and knowledge of Adult Basic Education practitioners so that they may provide exemplary service to adult learners.

Our vision is for Massachusetts to have an integrated Adult Basic Education (ABE) system which assists learners in ABE and English for speakers of Other Languages (ESOL) to reach their full potential and goals as individuals, parents, community members, and workers. SABES contributes to this vision by promoting effective instruction and enhanced learning program quality.

For more information about SABES call (413)552-2586, email info@sabeswest.org, or visit SABES WEST's web site at <http://www.sabeswest.org>.
