
HCC to host health careers open house

HOLYOKE – Holyoke Community College will host an open house at its Center for Health Education & Simulation on Wednesday, March 20, for anyone interested in exploring educational programs and careers in healthcare, animal care, human services, or culinary arts.

Visitors to the Health Careers Open House are welcome to tour HCC's state-of-the-art health education facility from 4 to 6 p.m. and talk to representatives from the college's programs in nursing, radiologic technology, veterinary and animal science, medical assisting, community health worker, direct care, emergency medical technician, Foundations of Health, certified nursing assistant, medical billing and coding, human services, and culinary arts.

The event is free and open to the

public. The building, located at 404 Jarvis Ave., just off the main HCC campus, is home to the college's nursing and radiologic technology programs, and medical simulation labs.

There will also be representatives attending from the offices of financial aid, admissions, advising, and workforce development to talk to prospective students about their educational options and career pathways.

"This is an excellent opportunity to explore all of our health majors at one time, see our state-of-the-art simulation labs, meet our faculty and staff, and learn all about our outstanding student support services," said nursing resource coordinator Dee Westcott.

If individuals can't make it in person, please contact Dee Westcott at dwestcott@hcc.edu for more information.
