
HCC opens registration for Wintersession, spring 2024

HOLYOKE – Registration is now open for Wintersession and Spring 2024 semester classes at Holyoke Community College.

HCC's 11-day Wintersession term begins Friday, Dec. 29, and ends Friday, Jan. 12. The spring 2023 semester begins Tuesday, Jan. 16.

With the exception of one environmental science lab course, all Wintersession classes are online. HCC's spring offerings include a mix of on-campus, online, and hybrid courses.

"Wintersession provides a wonderful opportunity for students to add a course they couldn't fit into their schedules in the fall or to get ahead for the spring by taking up to four credits in just two weeks," said Mark Hudgik, interim dean of strategic recruitment initiatives, admissions, and financial aid.

Wintersession classes are offered in anthropology, business law, conflict resolution and mediation, economics, environmental science, geography, management, math, nutrition, sociology, social problems and statistics.

In addition to full-semester, 15-week classes in spring, HCC also offers three accelerated, Flex Start Sessions: Flex 1 (Jan. 16-March 7), Flex 2 (Feb. 5-May 8), and Flex 3 (March 18-May 7).

"The spring semester at HCC is designed to help students go to college in the way that works best for them," said Hudgik. "Classes are offered on campus and online in 15, 12 and seven-week sessions, so students can find what fits best for their busy schedules."
