

## HCC registration

Holyoke Community College will hold a special “Registration Express” event for the spring 2024 semester on Jan. 6, when prospective students can apply for admission, take the college placement test, meet with an academic adviser, register for classes, and set up financial aid – all in one day.

The Registration Express event will be held from 9 a.m. to 1 p.m. on the first floor of the Campus Center on the main campus at 303 Homestead Ave. and virtually over Zoom.

The spring 2024 semester begins Jan 16. The college also offers Flex Start dates on Feb. 5 (Spring Start II) and March 18 (Spring Start III). Full-term spring classes run for 14 weeks. Spring Start II classes run for 12 weeks. Spring Start I and III classes run for seven.

Registration Express will also be an opportunity for prospective students to learn about the state’s new programs for free community college.

Those who can’t make it in person on Jan. 6 can still participate on those days virtually over Zoom through a link that can be accessed from the Registration Express page on the HCC website: [hcc.edu/regexpress](https://hcc.edu/regexpress).
