2023-2024 Confirmation of Parent Marital and Tax Filing Status

At Holyoke Community College, we want to make sure that everyone has an equal chance to go to college, no matter who they are. We know that getting money to pay for college is important, so we promise to be fair when we give out financial aid. We also want to make sure that trans and gender-expansive students don't face any barriers in accessing financial aid. If you have questions or concerns about this, you can talk to the financial aid office.

Student Name: _____ **Student ID:** _____

The marital status that your parent(s) reported on your FAFSA conflicts with their reported tax filing status. The U.S. Department of Education requires the Financial Aid Office to determine if their tax filing status is correct and to resolve any conflicting information.

If you feel the FAFSA application is accurate and does not need to be corrected, please complete and return this form to the Financial Aid Office.

If you need to make corrections, please go to <https://fafsa.gov> and correct your parent(s)' marital and/or tax filing status.

SECTION 1 - Marital Status

For the parent(s) you listed on the FAFSA, please indicate their marital status and marital status date below. The correct status is their marital status when you filed the FAFSA.
