2023–2024 Verification Worksheet: Dependent Student

At Holyoke Community College, we want to make sure that everyone has an equal chance to go to college, no matter who they are. We know that getting money to pay for college is important, so we promise to be fair when we give out financial aid. We also want to make sure that trans and gender-expansive students don't face any barriers in accessing financial aid. If you have questions or concerns about this, you can talk to the financial aid office.

Your 2023–2024 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to HCC's Financial Aid Office. If you have questions about verification, contact us at 413-552-2150. If you have not already done so, use the **IRS Data Retrieval Tool (DRT)** to correct your FAFSA income data to official IRS tax information. You may also elect to provide an official **2021 IRS Tax Return Transcript** or a signed copy of your **2021 IRS Tax Return, including all schedules**. Tax return transcripts can be requested online at https://www.irs.gov/individuals/get-transcript or by calling the IRS at 1-800-908-9946. Parents and students who are tax non-filers will need to submit **W-2** statements. Parents who are tax non-filers will need to also submit an **IRS Verification of Non-Filing Letter**, available at https://www.irs.gov/individuals/get-transcript. If you are unable to obtain this document, please contact our office so we can assist.
