## HOLYOKE

# Cannabis Career Fair

Holyoke Community College will host a Cannabis Career Fair on Nov. 10. The fair, "Cultivating an Industry," will run from 4:30 to 6:30 p.m. in the PeoplesBank Conference Room on the third floor of the Kittredge Center, shown above, on the main HCC campus, 303 Homestead Ave. It is sponsored by the Cannabis Education Center – a partnership between HCC and Elevate Northeast – and MCR Labs, a marijuana testing facility in Framingham. Individuals interested in working in the cannabis industry will have the opportunity to talk about job openings in person with representatives from area cannabis companies. The fair is free and open to anyone looking for a job in the cannabis industry. To register, visit [hcc.edu/canna-fair](http://hcc.edu/canna-fair). More information on cannabis industry programs can be found on the Cannabis Education Center's website [cannabiseducationcenter.org](http://cannabiseducationcenter.org) or by calling 413-552-2320. Masks are required in all HCC buildings, regardless of vaccination status. To maintain social distancing, only 50 people will be allowed in the conference room at a time. Preregistration is strongly encouraged.
