

Free COVID-19 testing at HCC extended until March 31

HOLYOKE — Free “Stop the Spread” COVID-19 testing at Holyoke Community College has been extended until March 31, 2021, according to the Holyoke Board of Health.

Drive-through testing at HCC is conducted six days a week in parking lot H near the western entrance to the Donahue Building on the college’s main campus, 303 Homestead Ave.

HCC has been serving as a “Stop the Spread” drive-through testing site since Aug. 26 to help reduce the spread of COVID-19.

Drivers are asked to enter the campus from Homestead Avenue, turn left onto the Campus Road and proceed to parking lot H. There will be signs and parking attendants on site to manage the flow of traffic.

The HCC testing site is open

The mobile COVID-19 testing site at HCC will continue operating through March 2021.
