

# Enrollment open for HCC classes

HOLYOKE — The spring 2024 semester has already begun at Holyoke Community College, but prospective students have two more opportunities to start classes in February and March.

Spring session II classes at HCC begin Monday, Feb. 5. Spring session III classes begin Monday, March 19.

Feb. 5-start classes run for 12 weeks. March 18-start classes run for seven. All spring semester courses conclude by May 2.

Students who enroll for spring session II or III have the opportunity to take a variety of classes in a wide array of academic areas and can earn as many as four credits per course for a lab science, such as biology or forensic science.

These accelerated spring courses are being offered in person and online in accounting, anthropology, biology, business, communications, culinary arts, economics, English, environmental science, forensic science, general studies, geogra-

phy, history, human services, law, management, marketing, math, medical assisting, nutrition, psychology, social science and sociology.

Enrollment begins at [hcc.edu/flexible-spring-starts](http://hcc.edu/flexible-spring-starts), or in person at the admissions office on the first floor of the HCC Campus Center at 303 Homestead Ave., Holyoke, weekdays from 8:30 a.m. to 5 p.m. (4:30 p.m. on Fridays). The office can be contacted at 413-552-2321 or [admissions@hcc.edu](mailto:admissions@hcc.edu).
