# HCC STEM scholarship deadline Monday, Aug. 1

HOLYOKE – Students enrolled full time in chemistry, biology, engineering, mathematics, physics or other STEM fields at Holyoke Community College have until Monday, Aug. 1, to apply for a National Science Foundation scholarship of up to \$10,000 a year.

Through HCC, the National Science Foundation Scholarship offers on average \$6,500 per year to qualified full-time students and prorated amounts for part-time students.

New and current HCC students are

encouraged to apply. The application deadline for the fall 2022 semester is Monday, Aug. 1.

Students chosen for the NSF scholarship become members of HCC's STEM Scholars 2.0 Program, also known as SCoRE (STEM Cohorts for Research & Engagement).

STEM Scholars are expected to maintain enrollment in a STEM program, be in good academic standing, complete an associate degree at HCC, and/or transfer to an accredited STEM degree

HCC students work in a microbiology laboratory in the HCC Center for Life Sciences. A STEM field scholarship is available. The deadline is Monday, Aug. 1.

program at a four-year institution. The scholarships are renewable every year students continue to meet the eligibility criteria.

Beside the financial awards, STEM Scholars become part of a learning community that fosters a sense of belonging and academic success, and includes mentoring, research, and honors experiences; community service; and internships.

The application and eligibility

guidelines can be viewed at [hcc.edu/stem-scholarship](http://hcc.edu/stem-scholarship)

STEM disciplines include biological sciences, physical sciences, math, computer and information services, geosciences, and engineering.

The program is led by HCC math professor Ileana Vasu, coordinator of the STEM Scholars program. She can be reached at [ivasu@hcc.edu](mailto:ivasu@hcc.edu) or 413-552-2438.
