IRS Verification of Non-filing Letter Statement

At Holyoke Community College, we want to make sure that everyone has an equal chance to go to college, no matter who they are. We know that getting money to pay for college is important, so we promise to be fair when we give out financial aid. We also want to make sure that trans and gender-expansive students don't face any barriers in accessing financial aid. If you have questions or concerns about this, you can talk to the financial aid office.
