STUDENT Asset Reporting Form (2023-2024)

At Holyoke Community College, we want to make sure that everyone has an equal chance to go to college, no matter who they are. We know that getting money to pay for college is important, so we promise to be fair when we give out financial aid. We also want to make sure that trans and gender-expansive students don't face any barriers in accessing financial aid. If you have questions or concerns about this, you can talk to the financial aid office.

Student Name: _____ **Student ID:** _____

In reviewing your financial aid application we find that student asset data, or review of previously submitted asset values, is now needed.

Please do not correct your FAFSA online. We will submit corrections based on documentation you provide to us.

Below please REPORT STUDENT (& spouse, if applicable) ASSETS as of the date your 2023-2024 FAFSA was completed. Note that it would be highly unusual for more than one item to have the same non-zero value.
