

Registration open at HCC

HOLYOKE — Registration is now open for summer and fall classes at Holyoke Community College.

Summer classes at HCC begin Monday, May 22, and run in two, consecutive seven-week sessions: Summer Session I (May 22 to July 7), and Summer Session II (July 10 to Aug. 25).

The fall 2023 semester starts Sept. 5 and runs for 15 weeks.

HCC will also offer three accelerated flex start sessions: Flex Start I classes also begin Sept. 5 but run for just seven weeks; Flex Start II classes begin Sept. 25 and run for 12 weeks; Flex Start III classes begin Oct. 30 and run for seven weeks.

“The biggest news for summer and fall is the lifting of the COVID-19 vaccine mandate, a decision made together by the 15 Massachusetts community

colleges,” said HCC Admissions Director Mark Hudgik. “We’re excited and believe that this will open up opportunities for more students to come to college and be a part of the on-campus community.”

Effective May 12, current and prospective students will no longer need to provide proof of COVID-19 vaccination to register for on-campus classes or participate in on-campus activities.

Prospective students can peruse all the course options for summer and fall at hcc.edu/sign-up-for-classes.

Students who are interested in visiting campus should contact the HCC Admissions office at admissions@hcc.edu.

For more information on HCC classes or to enroll, visit hcc.edu/admission or call 413-552-2321.
