

HOLYOKE

HCC registration

Holyoke Community College will host "Registration Express" for the spring semester on Saturday.

Registration Express will be held from 9 a.m. to 1 p.m. on the first floor of the Campus Center on the main HCC campus, 303 Homestead Avenue. Prospective students will be able to apply for admission, take the college placement test, meet with an academic adviser, register for classes, and set up financial aid for the spring semester, which begins on Jan. 24.

In the event of inclement weather, Registration Express will be held virtually. The Zoom link can be accessed online at hcc.edu/registration-express.

Those who can't make it on Saturday also can access Registration Express via the Zoom link or visit campus another day.

For the spring semester, students must be fully vaccinated against COVID-19 to attend classes on campus. Students must submit proof of their vaccination status before being allowed to register for on-campus classes. Masks are required inside all campus buildings regardless of vaccination status. Students who plan to register only for online or remote classes do not have

to submit proof of COVID-19 vaccination.

For more information, contact the admissions office at 413-552-2321, or email admissions@hcc.edu
