Administrative/Biographical History: In 1972, Doris Knight, Professor of History, called together a group of senior faculty members to draft proposals for two constitutions that would establish the faculty senate and a formal committee structure. A vote was taken at the faculty meeting that adopted these two constitutions. Doris Knight served as the first president of the HCC Faculty Senate. The first meeting of the Faculty Senate was held on February 18, 1970. Elections were held at the late February or early March meetings with a term of 1 year. New by-laws for the Faculty Senate were adopted May 1979. These by-laws changed the elections from the Feb/March meeting to the late August or early September meeting.

Elections are held in August or September each year. This is also when committees are formed. Committee minutes may be found among Senate minutes, as committees are asked to give reports during meetings.

Senate and Standing Committee lists can be found in beginning of fall semester meetings (ex: August or September)

System of Arrangement: Meetings are arranged chronologically by year and then by month.

Faculty Senate Officers

Note: Information used to compile this list was taken from the minutes of the election meetings.

The March, 1978 minutes also added a "Recording Secretary" to take and compile the minutes.
